4-H Achievement Night

2011 brought about huge changes for 4-H in Pamlico County, but it did not change the dedication and hard work of 4-Hers. On March 22nd youth and volunteers were recognized during the 4-H Achievement Night held at Fred Anderson Elementary. The night consisted of a spaghetti dinner, scrapbook video, and awards. Attendees were also asked to bring non-perishable food that would be donated to the Fishes and Loaves program in Pamlico County. Over 75 items were collected. A very special thank you to all who assisted with the event.

4-HER IN THE SPOTLIGHT

Many youth participate in basketball, baseball, softball, but there are not many that participate in shooting sports. As for Marshall Brinson, this is a passion. During March, Marshall along with 9 other 4-H'ers competed at the 2012 Wildlife Southeast District tournament. The tournament consisted of hunter safety skills, orienteering, shotgun, rifle, and archery. Marshall was named shotgun champion and runner up as the SED 2012 Junior Hunter. With this outstanding showing Marshall was asked to compete at the State Wildlife Tournament in April. Marshall represented Pamlico County well, but was unable to place in the tournament. Congrats!!!

Revels wins by a landslide...
The 2012 Engineering Olympics winner did not look any different than last year. Mrs Revel's homeroom took first place, followed by Ms Howard, Ms Hunning, and Ms Durci. Revels placed in the top 2 in all 5 events. The competition consisted of the Egg Drop, Marshmallow Catapult, and the Airplane Triathlon. Students participated within their classroom, choosing one representative for the olympics. All students received a pizza party for their hard work. Great Job!!!
